PRODUCTS RANGE

CONCRETE EQUIPMENT

- BOOM PUMPS
- TRAILER PUMPS
- LINE PUMPS
- PLACING BOOM SYSTEMS
- TRUCK MIXERS

BOOM PUMPS

TRAILER PUMPS

LINE PUMPS

PLACING BOOM SYSTEMS

TRUCK MIXERS

FIREFIGHTING & RESCUE APPARATUS

- AERIAL LADDERS
- AERIAL PLATFORMS
- WATER TOWERS
- PUMPERS & TANKERS

FIRE ENGINES

CONSTRUCTION & DEMOLITION EQUIPMENT

- ATTACHMENTS
- TOWER CRANES
- GENERATOR SET

ATTACHMENTS

TOWER CRANES

GENERATOR SET

MINING EQUIPMENT

- EXPLORATION DRILL RIGS
- BLAST-HOLE DRILL RIGS
- ROCK TOOLS

EXPLORATION DRILL RIGS

BLAST-HOLE DRILL RIGS

ROCK TOOLS

CONCRETE PUMPS

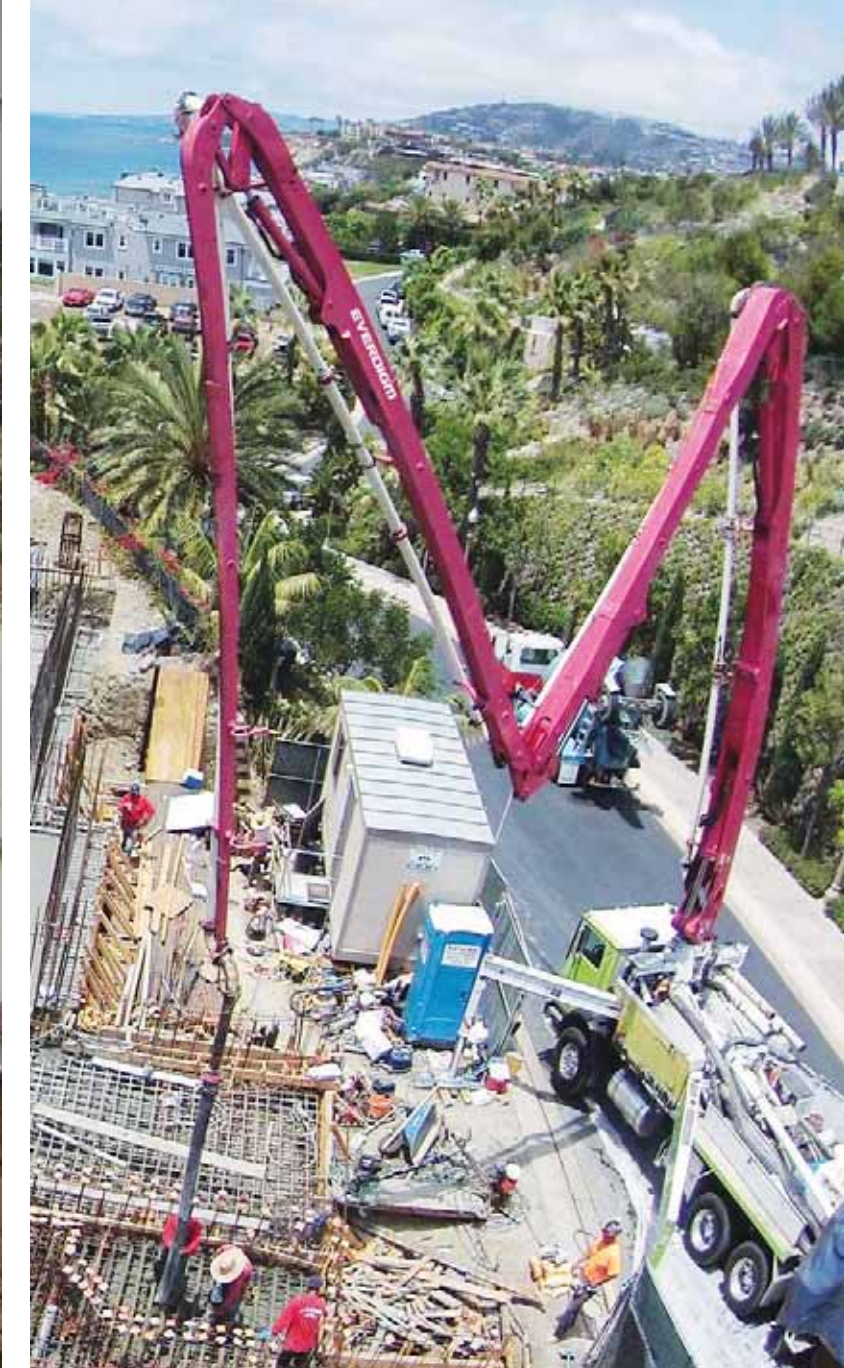

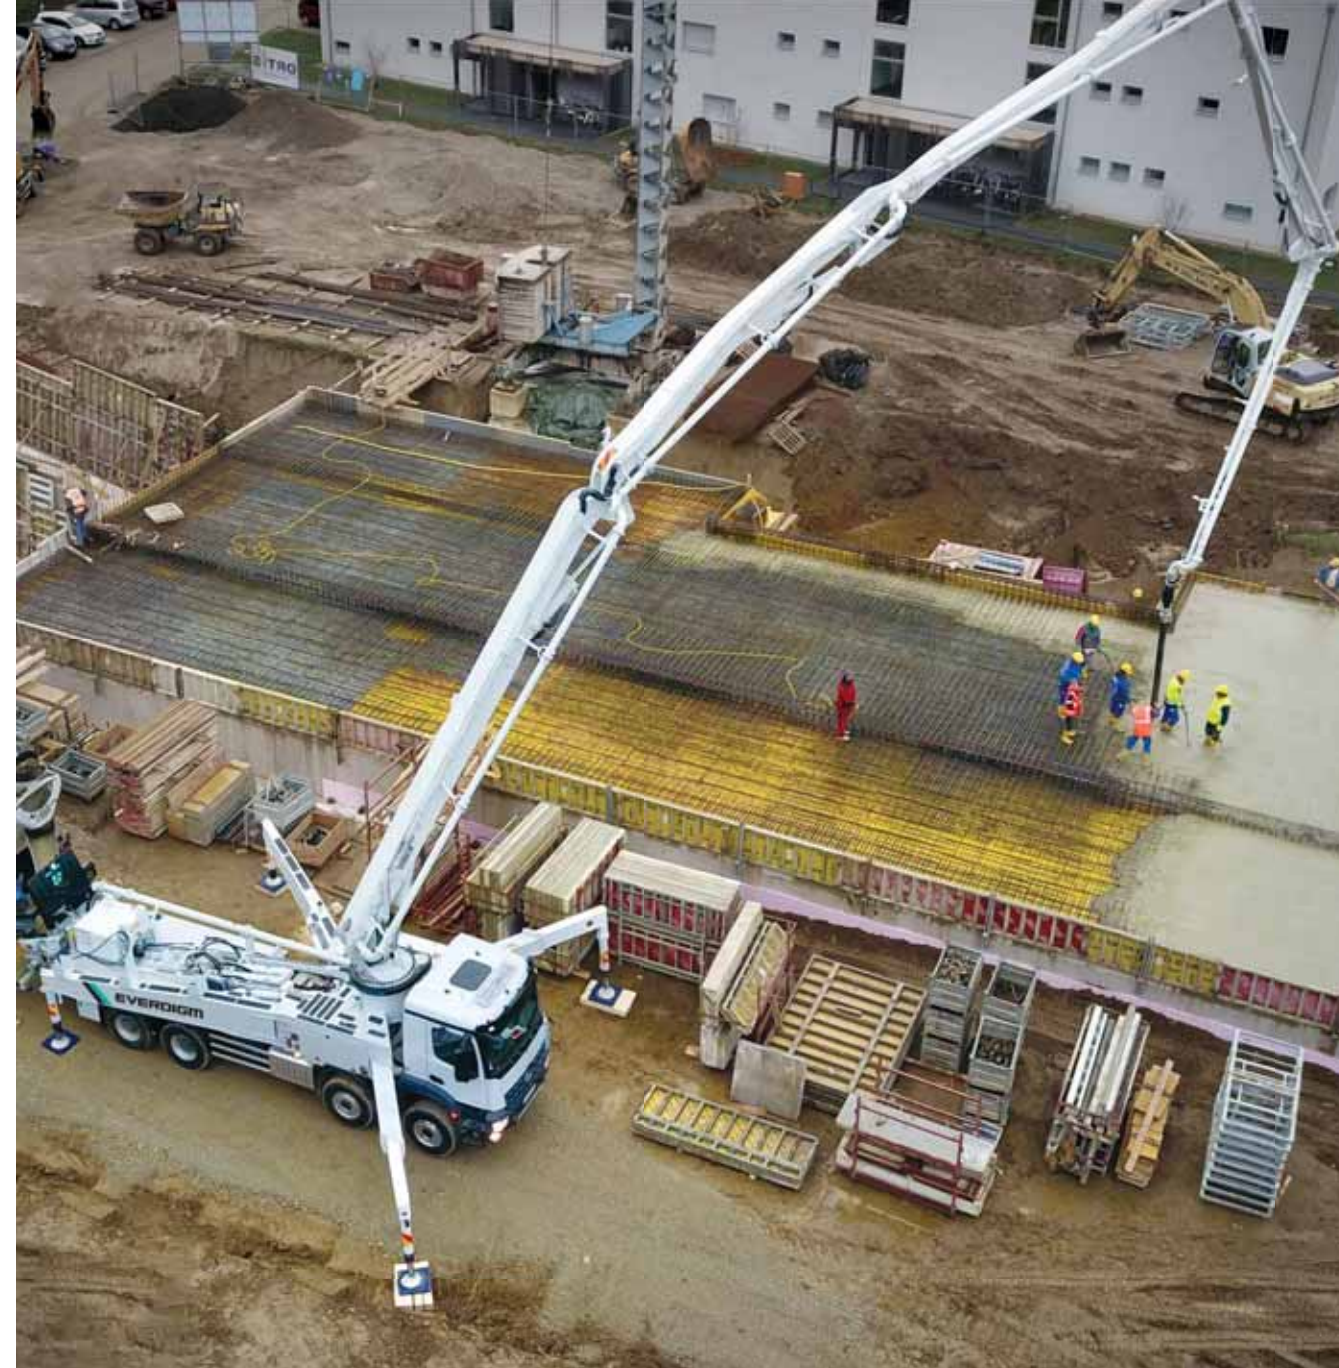

**Pumping system proven in reliability and performance
Powerful, but smooth operation**

CONCRETE PUMPS

Best value for the machine products
Simple and easy maintenance

CONCRETE PUMPS

Line-up of the most available working height from 21m to 70m in 22 models

DRILLING RIGS

The most advanced design right after Atlas Copco and Sandvick
The best performing drifter by own Everdigm design

DRILLING RIGS

Diversified with major surface drilling rigs, and exploration drill rigs

ROCK TOOLS

**DTH hammers & bit for mining, well and construction
over burden system for foundation & construction**

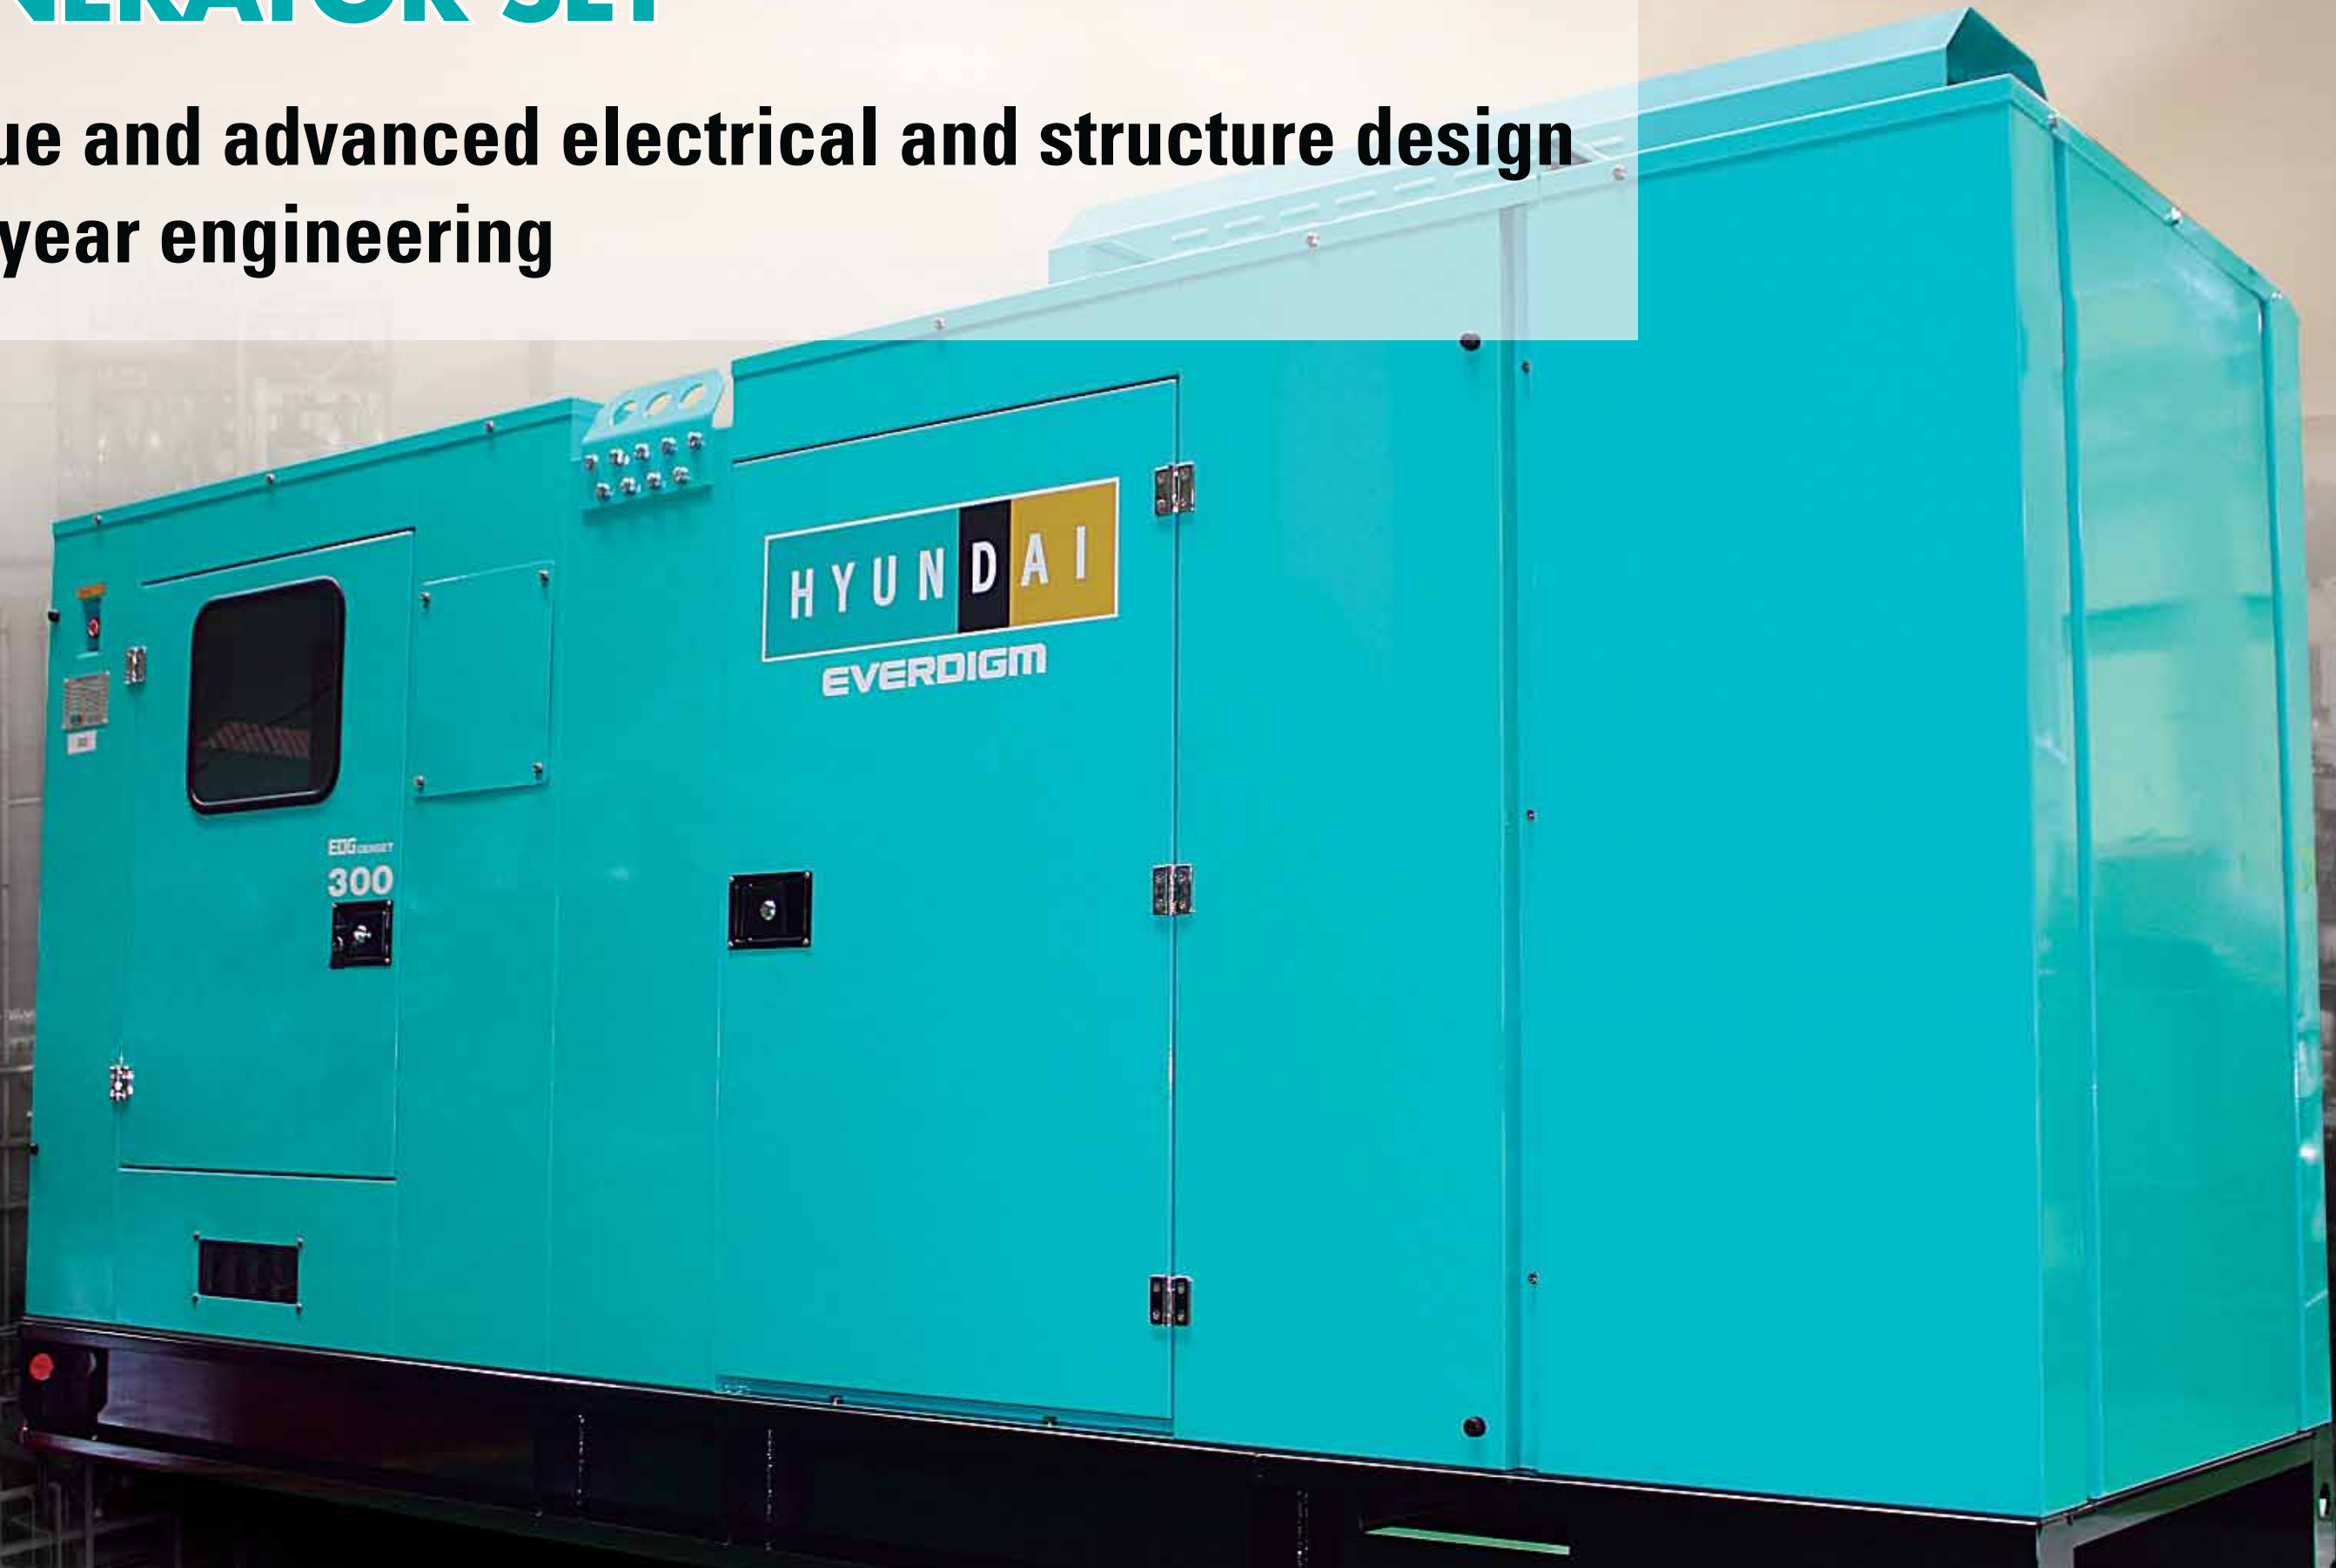

ROCK TOOLS

Superior penetration rate achieve high productivity

GENERATOR SET

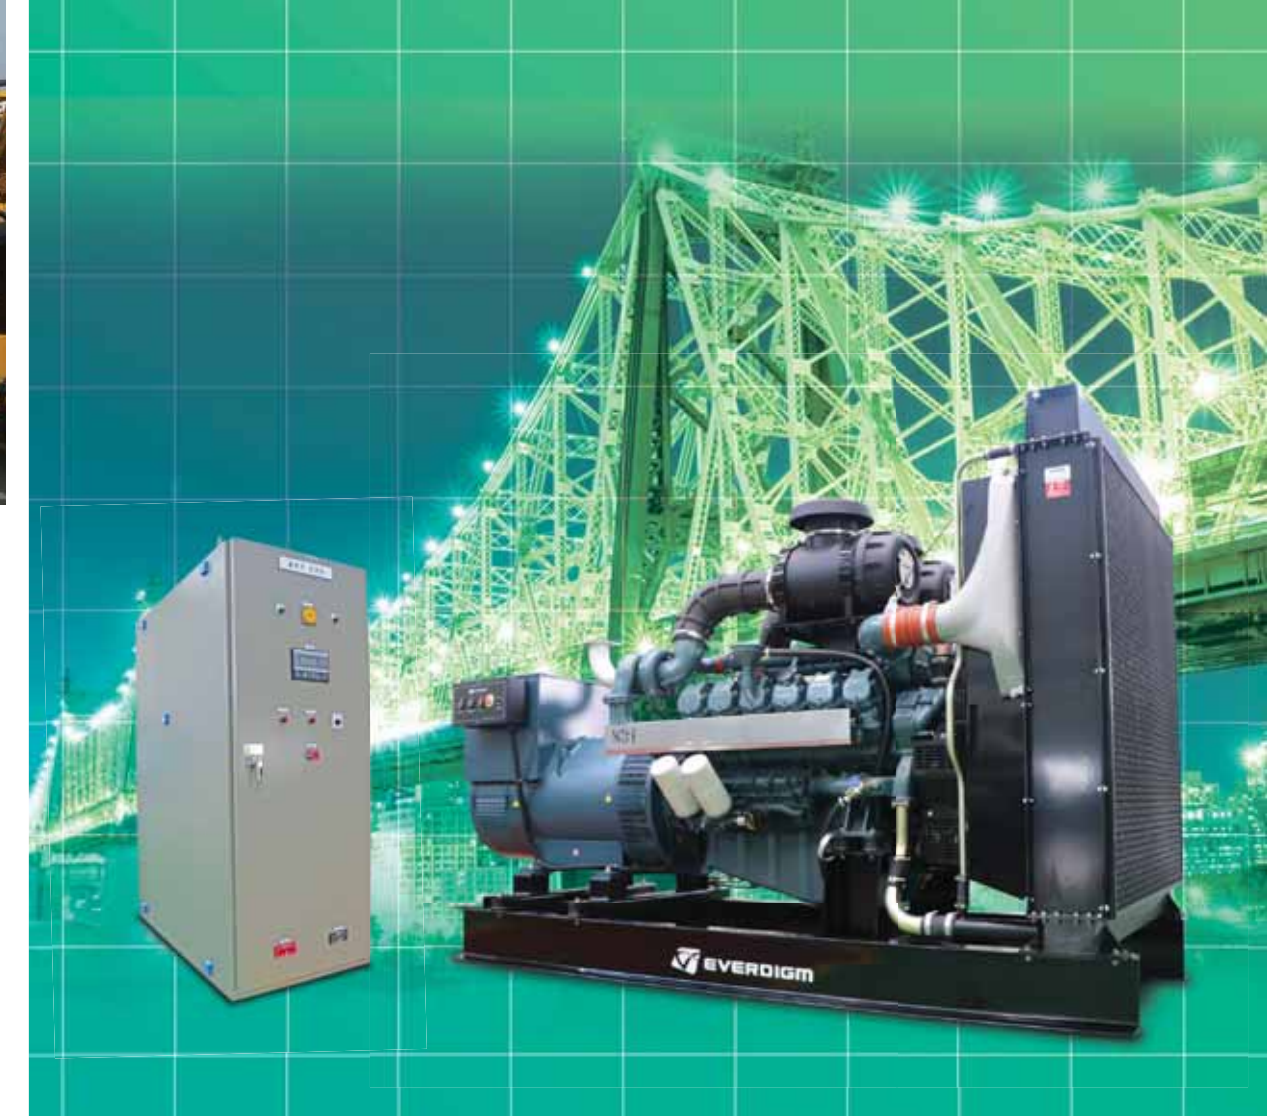

Unique and advanced electrical and structure design
by 25year engineering

GENERATOR SET

Wide ranges of engine selection perfectly combined with high quality control system

ATTACHMENTS

Hyd. Breaker guarantees the highest performance by impact power and frequency
The higher in performance, the longer in durability

ATTACHMENTS

Other tools for excavator's more versatility

TOWER CRANE

**Precise movement by the most advanced Frequency Converter System
Long life and Reliability to make sure of safety all the time during the project**

TOWER CRANE

Diversified types and models

Guaranteed quality for re-erection and dismantling

FIRE FIGHTING & RESCUE EQUIPMENT

Specialized in high technology rescue ladder and aerial platform

FIRE FIGHTING & RESCUE EQUIPMENT

Diverse solution for aerial rescue and firefighting
Innovative Fire Fighting Equipments - water tower
